

	ADR GOODS TRANSPORT FREJUS TUNNEL	Procedure
---	--------------------------------------	-----------

## PROCEDURES TO BE FOLLOWED BY HEAVY GOODS VEHICLES TRANSPORTING HAZARDOUS GOODS (ADR)

- **Mandatory stop** at St Michel de Maurienne, on the right after the toll gate :
  - ⇒ Mandatory Control and registration.
  
- **On arrival at the Frejus Tunnel platform :**
  - ⇒ Park on the dedicated ADR carpark: the driver must take the transport documents to the Customs Services who manage these hazardous goods.
  
  - ⇒ After registration and controls, the driver goes back to the vehicle and waits for the escort convoy.
  
  - ⇒ The escort convoy must pay a surcharge in addition to the transit toll: this must be paid at the toll gate.

**The driver makes the commitment to comply with the speed limit and the rules regarding space between vehicle in the tunnel, to ensure the safety of people and property.**
